Out-of-boundaries vendors: (must be from within British Columbia) will be considered on an individual basis by the manager.

Vendor: means a person (or family member living in the same household, named partnership, or non-profit organization) who has applied for membership and received authorization from SCFMS to participate in the South Cariboo Farmers' Market.

Vendors must give SCFMS the physical address of the location(s) where the products to be sold at the market are grown, raised, harvested, or made. Market manager has the authority to verify production at the site. Vendors must have proper signage, prominently display their name and the production address of any goods sold, have business cards on hand and photos of their products.

Service vendors: (hot food, massage, haircuts, etc.) must provide services on-site at the market. No market spaces will be available for selling or advertising services to be provided elsewhere.

Health code: Vendors of food, or food-related products, or cosmetics, are responsible for determining and following all applicable health codes. Copies of all permits need to be submitted to the market manager prior to your first market. The market manager may provide input on areas of possible concern; if, in the market manager's opinion, vendor practices are deemed unsafe, or violate current health codes, the market manager has the authority to restrict which products may be sold, and if necessary, disallow a vendor from further participation in the market.

Organic: Products labelled or advertised as organic must be certified through a recognized BC organic certification organization.

Market Manager: will assign stall spaces, collect fees, provide information, outline market rules and regulations to vendors, and monitor vendor compliance. The market manager has authority to revoke a vendor's authorization to participate in one or more markets if the vendor disregards the regulations.

Punctuality: Vendor booths must be set up and ready to open by 9:00am at the latest. Vendors are expected to arrive for set-up between 7:15 and 8:30am. Failure to arrive before 8:30am without advance notice may result in the loss of a regularly-assigned space.

Cancellations: All vendors must notify the market manager of a cancellation at least 48 hours in advance, preference to a week in advance. Failure to do so will result in a penalty of the full booth fee and/or loss of a regularly assigned space.

Unloading: When arriving before 8:30am, all vendors are welcome to briefly park their vehicles on the market site in order to unload their gear, but before commencing set-up, they must remove their vehicle from the site in order to facilitate unloading by other vendors.

Parking: In co-operation with local business needs, vendors will park their vehicles only in the designated municipal parking lots located off Cedar Avenue, or as directed by the market manager. Vendors must not park their vehicles on Birch Avenue or in any business' parking lots.

Clean-up: Vendors are responsible for cleaning up and leaving their stall area in spotless condition at the end of each market. Vendors must not start packing up to leave before 2:00pm, unless they have prior approval from the market manager.

Stall spaces: Outside – Vendors must keep all items within the stall limits (11'x11'). All tents must be securely anchored or they must be removed immediately.

Inside – Vendors must keep all items within the designated space (8'x8'), and must use the tables provided by the community hall.

*Vendors will not be moved inside to outside/outside to inside during the market season. Vendors are committed to one or the other for the full market season. If choosing to be outside vendors should come prepared for all weather conditions.

While every effort will be made to satisfy vendors' requirements and provide regular spaces for vendors, nobody's spaces are guaranteed. There are occasions when vendors need to be moved to a different space in order to maintain flow in the market.

No smoking: The SCFM is a non-smoking environment, there is no smoking allowed anywhere within the market area, including the common areas, this is a regulation established by the community hall itself.
